# FAQ

## ▶ **WHO CAN TAKE THE CLASS?**

All students are welcome to take the course; however, juniors and seniors are highly encouraged to take the class for their SAT test on October 5th, 2019.

## ▶ **WHAT WILL YOU COVER DURING CLASS?**

Students will learn all sections on the SAT (reading, grammar, and math). There will be weekly practice tests to monitor your child's growth.

## ▶ **HOW DO YOU TEACH THE SAT?**

We refuse to engage our students in 'trial and error' learning (a.k.a. the simple review of incorrect questions). Students are taught with proven strategies based on the theories of meta-cognitive learning. At the end of the course, students will have efficient tools, so they can consistently show their best performance no matter how difficult the test is.

## ▶ **WOULD MY CHILD'S SCORE IMPROVE DRAMATICALLY AFTER ATTENDING THE CAMP?**

Growth and improvement are dependent on several factors: student's level of engagement/motivation, student's level of interest in reading and writing, and the family's investment in education. If a student demonstrates all three factors during the camp, you will certainly see a dramatic score improvement.

## ▶ **HOW WELL DO YOUR STUDENTS PERFORM ON THE SAT?**

Historically, the majority of students at ABLE Enrichment have received scores in the mid-1400's to high-1500's on the SAT. On average, students improve 200 points after attending our SAT Camp.

### **MEET THE INSTRUCTOR**

#### **CEECEE CHUNG, C.A.S., M.S.**

Veteran SAT Instructor / College Consultant  
Certified Educational Psychologist / Doctorate Candidate in School Psychology

Ceecee has 8+ years of experience as an SAT instructor and a college consultant. She has published a book, "4 Steps to 1600: SAT prep workbook" and established the ABLE Enrichment in 2018. She instructs all SAT reading, grammar, and math courses during the camp.
